### **CHAPTER 361**

An act to amend Sections 1865 and 33521 of the Financial Code, relating to negotiable instruments.

[Approved by Governor September 20, 2006. Filed with  
Secretary of State September 20, 2006.]

#### **LEGISLATIVE COUNSEL'S DIGEST**

AB 2711, Parra. Traveler's checks: payment instruments.

(1) Existing law, the Travelers Checks Act, requires a person to obtain a license from the Commissioner of Financial Institutions before engaging in the business of issuing traveler's checks. Existing law prohibits a licensee from issuing any form of traveler's check in this state unless a certified copy of the traveler's check is first filed with the commissioner.

This bill would instead require traveler's checks that a licensee issues in this state to meet specified requirements, including that a traveler's check clearly identify the licensee issuing the check. The bill would also require that, before a new licensee issues its first traveler's check for sale in this state, it file a certified copy of the form of that traveler's check with the commissioner.

(2) Existing law, the Payment Instruments Law, governs the sale of payment instruments, as defined. Existing law, among other things, prohibits a licensee, as defined, or its agents, as defined, from selling any payment instrument unless the payment instrument is approved as to form by the Commissioner of Financial Institutions. Existing law requires the commissioner to approve an application as to form of a payment instrument to be issued by a licensee if the commissioner makes specified findings.

This bill would revise these provisions to remove the requirement that the commissioner approve those payment instruments as to form. The bill would prohibit a licensee from selling any payment instrument unless the payment instrument meets specified requirements. The bill would also require that, before a new licensee issues its first payment instrument for sale in this state, it file a certified copy of the form of that payment instrument with the commissioner.

*The people of the State of California do enact as follows:*

**SECTION 1.** Section 1865 of the Financial Code is amended to read:
